EUROPE-ECONOMY MINISTER PADOAN SAYS MISTAKE IF EUROZONE LOST GREECE

ECB WILL PROTECT COMMON CURRENCY

Milan, Italy, 14.03.2015, 12:30 Time

USPA NEWS - Economy Minister Pier Carlo Padoan said Friday it would be a mistake to allow Greece to leave the eurozone.

"The right approach is to find a solution that is feasible, though difficult, for a eurozone that is stronger with Greece included". Meanwhile, Greece Economy Minister Yanis Varoufakis said that the European Central Bank "will do everything possible to preserve the indivisibility of the euro". They both spoke outside the Ambrosetti forum in Cernobbio, where key economic and financial leaders were gathering.

There have been fears that Greece may leave the eurozone over its fiscal woes.
